Lesson 4.2 – Reflection Questions

- Reflection & Application
- WILOS360 – Witness Local Customs in 360°
- Erasmus+ KA220 Project

Purpose of This Lesson

- This lesson supports structured reflection.
- You will review your experience from Lesson 4.1 and reflect on your teaching decisions, student engagement, and learning outcomes.

How to Use This Lesson

- Read each reflection question carefully
- Take time to think about your experience
- Use the guiding feedback to deepen your reflection
- Write your answers (recommended: 200–300 words total)

Reflection Question 1

How did you use the WILOS360 activity in your lesson?

Feedback:

- Describe the context, subject, and student group.
- Explain how the activity was introduced and implemented.

Reflection Question 2

How did students respond to the activity?

Feedback:

- Think about engagement, participation, and interaction.
- Did students show interest, curiosity, or collaboration?

Reflection Question 3

What worked well in your lesson?

Feedback:

- Identify strengths in your approach.
- Consider content, structure, and student involvement.

Reflection Question 4

What challenges did you face?

Feedback:

- Reflect on difficulties in timing, understanding, or engagement.
- Consider both pedagogical and practical challenges.

Reflection Question 5

How effective was the use of 360° content?

Feedback:

- Did the immersive content support learning?
- Did it help students understand the cultural context?

Reflection Question 6

What would you change in the future?

Feedback:

- Think about improvements.
- How would you adapt the activity for better results?

Why Reflection Matters

Reflection helps you:

01

improve teaching practice

02

adapt materials effectively

03

understand student needs

04

develop confidence

Key Takeaways

- Reflection connects experience with learning.
- It supports continuous improvement and helps you use WILOS360 materials more effectively.
